VLTI/MIDI bibliography

Richard J. Mathar*
(Dated: November 19, 2009)

A PDF version is available from from http://www.strw.leidenuniv.nl/~mathar/vlti/MIDI.pdf, and a HTML version from http://www.strw.leidenuniv.nl/~mathar/vlti/MIDI.html. This version here is sorted alphabetically with the last name of the first author. It is a replacement of the obsolete contents of http://www.mpia.de/MIDI/Publications which I am no longer able to edit.

Keywords: MIDI, VLTI, publications, optical interferometry, astronomy

Sub-index of publications in refereed journals, sorted with respect to year and journal, count in parentheses:
